Your wedding day is special and we treat it with the greatest respect. We DO NOT double book or contract out any of our video services. When you hire Action Media to produce a video of your wedding you will get the best Action Media has to offer! Also we know you do not want to wait a long time to see your wedding video. Our average turn around time is 3 - 6 weeks.

Also we are very flexible to your needs. If you need something special covered or created we will do everything to make it happen. We find that most people will find what they need in our standard packages.

## OUR PACKAGES

### TRADITIONAL PACKAGE • \$1,495

Our TRADITIONAL package includes pre-ceremony highlights that will start with hair and make-up and cover everything up to the ceremony. The entire ceremony will be filmed with multiple cameras so that you will be able to view different elements from multiple angles. Then there will be highlights of any elements that you have planned between the ceremony and reception. At the reception we film all planned events such as the entrance, dances, cake cutting, toasts, ect.

We use all professional grade equipment to film and record audio. We will use a lavalier microphone on the officiant and groom to capture all dialog during the ceremony. We also include some drone footage as long as the weather permits. Your wedding will be delivered on a USB drive which you are free to copy.

### TRADITIONAL PACKAGE + HIGHLIGHT VIDEO • \$1,795

Our HIGHLIGHTS package includes everything in the TRADITIONAL package and adds a highlight video that shows highlights from the entire day. It will contain clips from pre-ceremony, the ceremony and the reception all set to a high quality soundtrack that is fully licensed so that you can legally share it on all social media outlets. This is a great way to share your day with people in a video that is between 3 and 5 minutes long.
