2023 PRICING GUIDE

KSENIA VASENEV PHOTOGRAPHY

welcome

CONGRATS ON YOUR RECENT ENGAGEMENT

THE PHOTOS WE CREATE TOGETHER WILL BE YOUR
FIRST FAMILY HEIRLOOM.

I'm thrilled that you're considering me as your wedding photographer and
would be honored to work with you!

Wedding photography is one of the most important investments you will have
for your wedding day.

When the beautiful day has come to an end, the teary-eyed toasts have been
shared, and your dress is hung, you will have wedding photos to look back on
and cherish throughout the years.

This is me, Ksenia

And I would be honored to be your photographer!

Your wedding is a once-in-a-lifetime occasion - the two of you are about to start the most beautiful, exciting, and challenging experience of your lives together.

It is important that you find a photographer whose work you love - but I believe it is just as important you find someone whom you feel good about and can connect with, and be yourself.

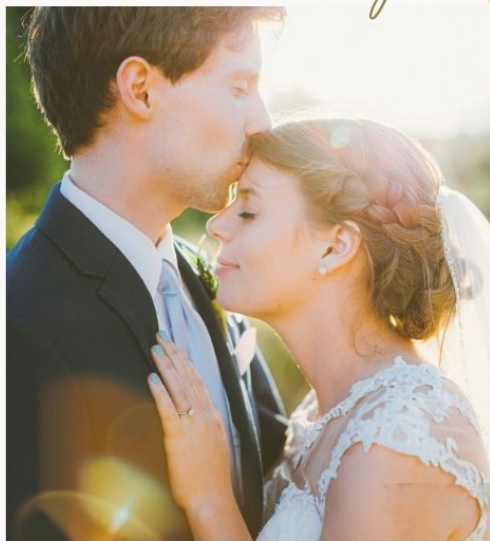

I expect nothing from my clients on their wedding day, just being themselves, enjoy their beautiful wedding, have fun, connect, and create memories. My job is to capture all the precious moments and emotions of the day in a candid, beautiful, and flattering way. So you do not have to worry about posing or looking awkward.

I also always make sure to find the best spots and recommend the best time for pictures so you get those emotional magical shoots that will become your new family legacy.

A few things about me - I've traveled around the world and visited all the continents except Antarctica. I love my family, friends & animals more than anything and I have the cutest daughter. Oh, and also I smile all day and tear up once or twice at every wedding.

If after reviewing this proposal you feel like I could be a good fit for you, let's arrange a quick video call so we can discuss all the details, connect personally and help you to make a decision.

Kind Words

"OUR FAVORITE THING ABOUT KSENIA WAS FEELING HOW EXCITED SHE WAS ABOUT WHAT SHE DOES. HOW HARD SHE WORKED AND HOW APPROACHABLE AND POSITIVE SHE WAS. SHE IS TRULY IN LOVE WITH LOVE — AND WE COULDN'T ASK FOR ANYTHING MORE FROM OUR WEDDING PHOTOGRAPHER."
