Portrait On Site Pricing

All sessions include up to 1 hour timeslot and unlimited photos taken. We lightly edit the photos and upload the photos to an online gallery to view and order prints. High resolution digital files are included and you will be able to download all of your photos watermark free straight from the website. For larger families we suggest an outdoor session since our backdrop has a limit on the amount of people that can fit inside the backdrop.

Studio Session Fee

Indoor or outdoor weather permitting
