Additional Services

DJ Service *\$150*

We can handle all of your DJ needs for cocktail hour, dinner and band set breaks so you don't have to hire an additional DJ company, saving you hundreds of dollars!

MC Service *\$150*

We can provide full MC services for the duration of your reception. This service includes one in-person (preferred) or over-the-phone meeting with a member of Smooth Like Clyde to go over your entire reception from beginning to end. Together, we will create a detailed itinerary of the day, allowing you to relax and enjoy your big day confidently knowing that everything will be handled just the way you planned it.

Wedding Ceremony Audio *\$300*

Not all wedding venues have a house sound system for your wedding ceremony and hiring an additional audio production company can be costly. This system includes up to 2 wireless lapel mics, 3 wired mics with stands, and iPod/CD/Laptop capability for playback of pre-recorded audio.
