Capacity

Summer and fall (June through October) is our peak wedding season. During these months, we can accommodate up to 120 guests, for a wedding that features an outdoor ceremony overlooking the mountains, a dinner reception in the Log House, and dancing under the stars in our pavilion near the main Lodge.

From November through early June, we offer indoor weddings, micro weddings & private elopements. During these months, we are able to accommodate up to 70 guests in a cozy indoor wedding in the Log House. The ceremony, dinner, and dancing would all take place with the backdrop of our gorgeous garnet stone fireplace and wood beams that define the charming Adirondack architecture of our building. This rustic, elegant atmosphere is made all the more spectacular by the panoramic mountain views through the windows of the dining room.
