OFFICIALLY OAKS

For Ceremonies as Extraordinary as Your Love Story

A LETTER TO THE COUPLE

Hi there, I'm Luke. Happy to meet you!

I'm the Owner & Lead Officiant behind Officially Oaks. My team and I are passionate about helping couples tell their love story in its truest, most authentic form. We're also passionate about providing you with a ceremony as extraordinary as your love story. Ultimately we're grateful to contribute to one of the most special days of your life together.

When my wife Caren and I planned our own wedding not long ago, we struggled to find an officiant who was empathetic, professional, and responsive, as well as youthful, light-hearted, and engaging. We wanted an officiant who, as we looked back at our wedding decades later, we were overjoyed to work with, and one who we were proud to have in all of our most cherished photos and memories. Out of that, Officially Oaks was created.

Our mission is to provide you with an officiant who understands the needs and preferences of a modern-day, trend-forward couple. I've had the privilege of marrying over 250 couples to date, and am grateful for the opportunity to contribute to one of the most special days in your lives.

Continue on for information about our collections and pricing, kind words from former couples, and more. Afterwards, please reach out with any questions. We'd love to get to know you and learn more about you and your ceremony vision.
