

ABOUT US

Rest assured, when you choose Lionsgate Event Center you are gaining a friend and a wedding team. We have a team of wedding coordinators and staff that will bring every aspect of your dream wedding to life. We can help you with as much or as little as you need and pride ourselves on being customized and personal. No couple is exactly the same so why should your wedding be?

VENDORS & ALCOHOL

We want to make sure you have everything you ever wanted at your wedding, including the vendors of your choice! Which is why we have an open vendor policy on everything but alcohol, cannabis and rentals. We have a long list of preferred vendors (all on our website) that the coordinator we provide you with can help you book, or you can book your vendors yourself!

We actually don't have our own liquor license but there is an on-site liquor store, Party Liquor, that can help you with all your alcohol needs. Pricing typically starts at \$24 per person over 21 for unlimited beer and wine for 4 hours, and \$30 for premium top shelf full bar. That would include bartenders, gratuities, champagne toast, non-alcoholic beverages, and glassware! They can totally customize their packaging too, so you can have the alcohol you want!

WHAT'S INCLUDED?
