The Polaroid Experience

We all LOVE nostalgia. The opportunity to go back in time to when life was much simpler. And what better way to combine a little bit of the past with the anticipation of the future, than at the wedding reception of your dreams. YOUR Wedding Reception.

Champagne is flowing, your closest friends surround you, love is the air and amazing memories are waiting to be had.

'The Polaroid Experience' is a step back in time. A charming twist that blends the golden age of film photography with the ease of modern day technology.

'The Polaroid Experience' is:

Allow Foschini Photography to take total control and give your guests an experience they will be talking about for years to come. Our photographer, with our trusty vintage Polaroid cameras in hand, will snap the memories at your reception of all those invited. Seconds later, the magic comes to life.

Two HUGE, WIDE & FAT 4 x 3 classic Polaroid prints arrive (not the tiny 2.5 x 1.5 mini prints). One copy goes to your guest to take home and one for the bride & groom which is placed on our rustic farmhouse-style clothesline frame (as pictured) and displayed for all to view throughout the evening.

Guests can leave a message on the bottom of the print. There is no worrying about how to change film, turn the camera on, etc. - Foschini Photography takes care of everything!

Pricing:

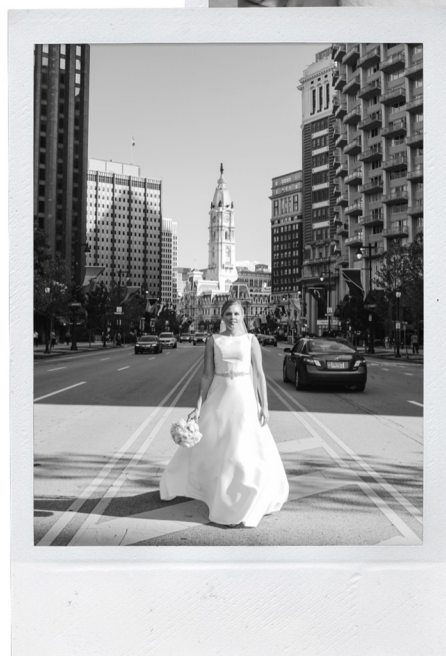

2 hours - \$600.00

3 hours - \$700.00

Testimonials

Allie & Tim Abraldes

'Out of all the chaos and stress involved in choosing vendors and planning for our big day, hiring Vince and his team was the best and easiest decision we made! He was so quick to respond leading up to our wedding day with any questions that we had and even asked for examples of photos that we wanted to recreate.

When the day of finally came, he made the process SO smooth. We had let him know ahead of time that we didn't want to spend the whole day taking pictures and he did not disappoint in making sure that didn't happen. He was quick to the point, while still managing to capture some seriously incredible shots! My whole bridal party was gushing over how great and easy working with him was.

Thanks Foschini Photography!'

Gabby & Michael Bannon

'I just married my amazing wife on 4/14, Vince was everything you could ask for in a photographer! Made sure our 'must have' pictures were taken. He was extremely easy to work with. Dressed professionally. If myself or my wife was looking for a picture 'on the fly' he was right there with the same idea ready to snap it. I can not say enough about working with him, I would shout his business from the rooftops if I could! Highly, highly recommend him to anyone looking for a great person to work with! His personality and 'eye for the perfect shot' are top notch. The love for what he does radiates through him. Have that first meeting with him and I can say you will not have to make another appointment with anyone else!'

Gabriela & Rich Campbell

'Vince was very accommodating to our schedule and we found him very easy to work with on our big day. We felt he went above and beyond our expectations. On the wedding day, Vince and his team came early in the morning to start taking pictures. They worked for 10 hours straight! They did a great job capturing every moment of our wedding day. The pictures they took tell the story and allow us to share our special day with relatives & friends who were not able to make it to our big day. We are very happy with Vince, and our plan is to use him again in the future for our other important photographer needs.

Elizabeth & Zach Spears

'Vince was absolutely wonderful! He took what we wanted and made it come to life! Our pictures are absolutely beautiful. His photography packages are absolutely worth it. We added a second photographer and that was one of the best decisions we made. It allowed us to have more time for pictures with us getting ready.

He was great to communicate with and took everything we said and created beautiful pictures! We also used Foschini Photography for our Photo Booth and it was phenomenal!

This wasn't a small Photo Booth, allowed anywhere from 1 to 8 people in it!'

Brittany & Mike Hayoun

'Vince is so great! He not only made my wedding day stress-free by showing up on time with clear plans and a reasonable timeline, he made it more fun through his suggestions and personality! He was professional, thorough, and flexible for both our engagement and wedding shoots.

I can honestly say our special day would have been a little less special without him. Oh, and of course, the pictures came out amazing, with great (and very light) editing!'

Michelle & Ken Fooks

'HIGHLY, HIGHLY, HIGHLY RECOMMEND!!! I can't say enough about Vince and his team.

My husband and I were married September 23rd, and the pictures we received back were gorgeous and just absolutely perfect. Everything was organized from the day of our first email quote until the day we received our pictures. High quality service and product without the outrageous prices that most photographers advertise.

Vince was prompt and extremely accommodating to our needs. So future brides reading this review, look no further! I promise you Foschini Photography won't disappoint!'
