

LOU'S FLORIST

ESTD 1956

Congratulations
ON YOUR UPCOMING WEDDING!

Established in 1956, **LOU'S FLORIST** is a family owned business in South Pasadena, FL. Our talented designers have years of experience creating custom wedding pieces and hand-crafting beautiful flower arrangements to compliment your special day. Whether your style is classic or modern, your celebration large or small, and your venue indoor or outdoor; we pride ourselves on helping you fulfill your dream wedding vision.

We are proud to partner with local hotel & resorts including The Don Cesar, The Tradewinds, The Sirata, Grand Plaza Hotel, The Post Card Inn, Hotel Zamora and many more! Additionally, we enjoy working with our local event company partners including Gulf Beach Weddings, Weddings on a Whim, Driftwood Weddings and Totally Tropical Weddings and Events to name a few.

We offer various levels of service that can only be determined by scheduling a complimentary, friendly consultation by phone or Zoom video to begin our relationship. Please email pictures of your dress and any inspiration photos in advance to **WEDDINGS@LOUSFLORIST.COM** so we can start to envision the style and theme of your wedding. After the consultation, we will create a detailed custom proposal designed to suit your vision. Once you have reviewed the proposal, and the final touches have been added, you can book your date with us, giving us the green light to make the wedding of your dreams come true!
