MEET BUKKY

Bukky's passion to become an event planner comes from many years of experience helping friends and families in planning and decorating their events. She was motivated and inspired to pursue a career in event planning after pursuing a master's degree in Gerontology and Hospice Care. Her professionalism, creative mind, and overall ability to bring many clients' vision and ideas to life makes her one of the best in the wedding planning and floral design industry. She has been featured on Marahani Weddings, Celebration Society, Chicago Splash Magazine, Munaluchi Bride and many more.

WHY HIRE US?

We save your time

Planning wedding takes enormous amount of time. In fact, the average couple spends over 200 hours planning their own wedding. We promise to save you time and energy by researching vendors, taking care of details, and coming up with creative ideas to make your wedding amazing!

We save you money

Weddings can be extremely expensive. However, by hiring a wedding planner, they are often able to help couples set budgets and negotiate discounts for their clients.

We ensure your dreams are made reality

Most have been dreaming of their wedding day their entire life. We work for the couple and ensure that all desires are met (and often surpassed)!

We offer advice

Wedding planners have planned countless weddings and know exactly what works and what doesn't. They are also knowledgeable on wedding etiquette.

We are the “Go-to-person”

The average wedding has at least 22 vendors. Combine that with the entire wedding party and all of the guests and that is a lot of people with questions and concerns! By hiring a wedding planner, couples can simply refer people to the wedding planner!”

WHY HIRE US?

We orchestrate from rehearsal through the end of the reception, ensuring everything goes off without a hitch!

We create schedules

Wedding planners are well-versed at making detailed itineraries for all involved (including other vendors) and making sure that everything happens on time!

We handle crisis

No one wants to deal with the bakery not delivering the cake on time or the flower girl throwing a tantrum on their wedding day. Wedding planners know how to handle all unforeseen circumstances.

We minimize stress and maximize fun!

Hiring a wedding planner ensures that you will have a worry-free and stress-free day, thus, allowing you to enjoy your day like your guests!

Wedding planners would be the money best-spent on your wedding day!
