

# WEDDINGS

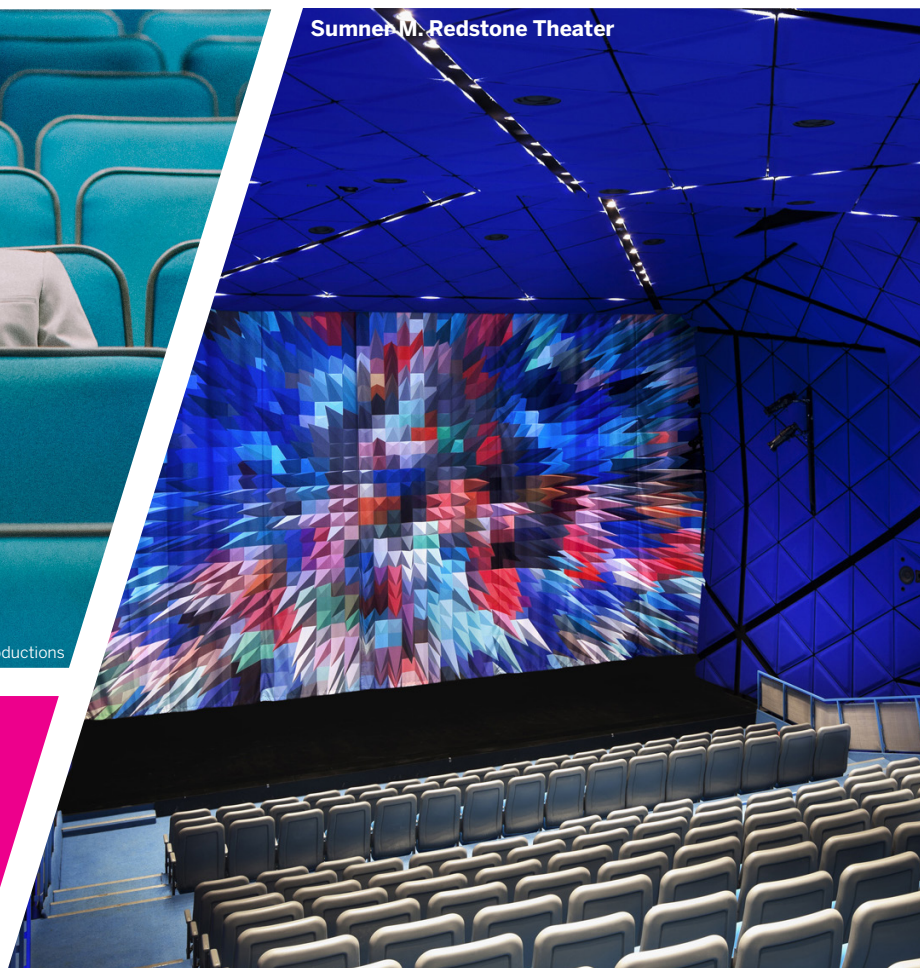

**Museum of the Moving Image** is an ideal venue for couples looking for a unique, modern location for their wedding ceremony and reception. The Museum is available on Saturday and Sunday evenings starting at 7:00 p.m. and Monday to Thursday starting at 6:00 p.m.

The Museum's 267-seat **Sumner M. Redstone Theater** serves as a dramatic setting for wedding ceremonies and is fully equipped with video projection, theatrical lighting and sound.

The **Main Lobby/Cafe** and **Digital Learning Suite** serve as flexible spaces for dinner and dancing. They can be configured in numerous ways depending on the style of your reception. Throughout your event, Museum galleries remain open for your guests to enjoy our many interactive experiences, iconic artifacts, and vintage video games. There are also multiple spaces throughout the Museum where custom content can be projected.

**A RENTAL** includes all day access to our VIP Suite featuring lighted vanity, private changing area and en suite rest room, full access to the galleries and all public spaces including our courtyard, free play in our vintage game arcade, projection of custom content, housekeeping, maintenance, security, and an event manager.

We do not offer food, but a list of approved caterers is available upon request.

A five-hour Saturday or Sunday evening rental is \$13,000. A five-hour Monday–Thursday evening rental starts at \$11,000.

### **There are numerous options for customizing your event:**

You have the option of buying out our Video Flipbook interactive experience, with a Custom Cover for your guests' flipbooks, for \$2,000

We offer the option of LED lights on the first floor in a variety of colors for \$2,000
