THE COLUMBUS ATHENAEUM WEDDINGS

WHAT WE DO

The Columbus Athenaeum is a beautifully restored urban palace located in the heart of downtown Columbus. The historic architecture and old world charm paired with the modern convenience of a full-service events venue creates the perfect setting for any occasion. With lavish features like chandeliers, marble floors, hand painted details, and original woodwork, you won't need much decorating to make your space look and feel great for your event.

The Columbus Athenaeum provides a full menu of housemade selections by our Executive Chef, an on-site event coordinator to assist with planning and event execution, full event & bar staffing, liquor, in-house baker & florist, event decor and in-house audio-visual experts.

Our goal is to allow all of our clients to enjoy this historic occasion in their lives and allow us to worry about the details.
