

Foote Florals LLC

A Wedding and Event Florist

Congratulations on your upcoming wedding!

Thanks so much for your interest in Foote Florals as your wedding florist! We're so happy you're here.

I'd love to make your flower planning a simple and pleasant experience.

It's our pleasure to provide a beautiful enhancement to your wedding day while working within your budget. Some brides have a predetermined budget. If that's not you, don't worry! I'll listen and provide some budget options.

How We Work

After a complimentary consultation, either in person, phone, or email, I will create a customized proposal with line item, range pricing. If you are satisfied with your preliminary bid, a \$250 deposit and signed contract will secure our services. We ask that you respond within 14 days to leave a deposit and signed contract to secure the date.

This non-refundable deposit/retainer will be applied to your final order while the remaining balance will be due 21 days prior to your event.

Please know that it's possible for Foote Florals to have more than one event on any given day. We limit events based on the size and details of the events. This is to ensure top quality and give each bride personalized attention and service they deserve. This means our calendar can book up quickly!

Eco and Green Efforts

*Use of locally grown flowers whenever possible.

*Support of Organic and Fair-Trade Certified growers whenever possible.

*Daily composting of our flower, foliage, cardboard, and paper waste. Anything that can be reused prior to recycling, such as packaging, plastics, and boxes, we try to reuse in our business as well as our home.

*Whenever possible, we purchase our hard-good products from local, US-made vendors, and try to source items made from recycled, reclaimed, or post-consumer products.

Please Note

Some brides are really excited about having a family member, friend, or even DIY-ing their own florals for their big day. In our experience it has been unfavorable to both our client, and the quality of work that we represent, to incorporate our designs with another's work. Here at Foote Florals we want to ensure the highest standard of work and exceptional flower quality that our clients have come to know and love. We appreciate couples who may have a predetermined budget, and we take pride in keeping our flower costs at industry standards. We are more than happy to incorporate any important mementos or keepsakes.

If there is a family member or friend that has grown flowers for you to use on your special day or someone who would like to design arrangements, they can always be put to use. The rehearsal dinner, bridal showers, or the morning after brunch are all great ways to utilize them.

Thanks for your understanding and we look forward to designing beautiful work for your special day.
