

## *Welcome to Jenna Davis Photography!*

So glad you have inquired today! Below is a list of the packages I offer. There is a package for every couple and packages can be customized to fit your needs.

The first step is sending the initial inquiry! Now let's pick your perfect package! Select the package that fits you best and any a la carte items you may be interested in.

Next, let's set up a time to chat. I love in person meetings and really getting to know new potential couples. I also feel its the best way to know if a vendor is a perfect fit. You know when you just click! I also know schedules are crazy and you are busy with life and planning so if an in-person meet up doesn't fit the schedule let's plan a phone call!
