Photo Coverages include unlimited hi-res images in an online gallery for download with no watermarks and full printing rights.

Video Coverages include a 6 to 20 minute 4K cinematic highlight reel captured from multiple angles with the audio from the vows and speeches included.

2 Hour packages are best for small elopements that include coverage of the ceremony and a family and couple's photo session after.

4 Hour packages are best for intimate weddings with a short reception that includes coverage of the ceremony, family, bridal party and couple's session, entrance into the reception, first dance, parent dances, toasts and cake cutting.

6 Hour Packages are best for full length weddings with no first look before the ceremony, and include getting ready pictures, ceremony, family and couple's photos, bridal party photos, entrance into the reception, first dance, parent dances, toasts and speeches, wedding games, open dancing and grand exit.

8 Hour packages include everything in the 6 Hour packages but are best for a first look before the ceremony and therefore extend the time of the couple's photo session and leave more time for the bride and groom to enjoy the cocktail hour.
