## Mission

To provide our guests timeless elegance with the utmost hospitality. To make every event the most significant.

# Packages

The modern couple is looking for an event venue that is the entire package. A place where they can casually welcome their family and friends and celebrate their love for each other. Our goal is to create a timeless setting in the beauty of nature. With sophisticated luxury and cutting edge design, we believe we have created exactly that on the hills of our 240-acre country estate.

# The Hawthorne
