

Weddings

We offer full day coverage with all of our wedding packages, from beginning of hair and makeup/prep, through to the end of the reception/bride and groom exit, with no limit on number of hours. We provide print releases to all our clients, with full rights to print and distribute as you like. You, your friends, and family are not required to buy prints from us (though we do offer a variety of print services through the online gallery, including canvas prints and keepsakes).

Full wedding day photography, 2 photographers - Gold package - \$1,900

Our Gold Package includes two photographers, with no hourly limit, re-touching and editing, and unlimited digital prints, delivered via USB, and a private online gallery.

You, your friends, and family would not be required to buy prints from us (though we do offer a variety of print services through the online gallery, including canvas prints and keepsakes).

Elopements and Intimate Weddings

Your wedding day is a beautiful and personal celebration; we recognize that a full-day package is not what everyone is looking for.

If you prefer an intimate ceremony with your love at the forefront, (that is also budget-friendly), then an elopement or intimate wedding may be your perfect I-do!

Elopement Session - \$600

Our elopement package encompasses a 2-hour session, which includes two photographers, digital prints, delivered via download from a private online gallery.

We provide print releases to all our clients, with full rights to print and distribute as you like. You, your friends, and family would not be required to buy prints from us

(though we do offer a variety of print services through the online gallery, including canvas prints and keepsakes).

Intimate Wedding Session - \$800

Our intimate wedding package encompasses a 3-hour session, which includes two photographers, digital prints, delivered via download from a private online gallery.
