Exchange your vows with a backdrop of majestic mountains, then celebrate in the rolling hills surrounding Trout Creek Valley! Our ceremony and reception sites are just a stone's throw apart from each other. Guests can either take a leisurely stroll or hop on our 14-passenger shuttle bus to travel between sites. Toast to new beginnings under the 50'x100' tent placed on a concrete base for comfortable dining and dancing. Guests can mingle on the 17K square feet lawn over cocktails as they gaze at endless breathtaking views — an unforgettable night awaits!
