Menu prices do not include service fees and tax. According to Wis. Administrative and DDHS Section 196.07, no food from outside sources may be allowed in any function room or public space in the resort.

B. A 21% service charge applies to all food and beverage ordered through the Catering Department. The Group shall pay sales tax on all sales, including service charges added to the price of a meal.

C. Meal and all setup arrangements should be completed at least 4 weeks in advance of the Event and a guarantee of the number at each Event is required. The Group must notify Spring Brook with the required guaranteed number of guests for each Event no later than 10 days prior to the start of the first Event. Failure to provide a guarantee by 10 days in advance of the start of the first Event will result in Spring Brook using the most recent estimates, correspondence or the original numbers in the Event agenda to determine the guarantee. This number will be the number charged even if the actual number of guests is less. Should the Group's count go over the guarantee, the group will be charged for the actual number or for any higher guarantee(s) that the Group submits to Spring Brook. The Group will be responsible for all costs resulting from its failure to provide Spring Brook with the guarantee as previously stated.

D. Meals will be prepared for the guaranteed number of attendees. Meals will be prepared for 5% over all guarantees under 201 and 2% over all guarantees over 201. It is not possible to guarantee extra entrées when more than one entrée is served. If the desired entrée is out near the end of service the guest may select the entrée still available or the desired entrée will be prepared for the guest and added to the master bill increasing the guarantees count by this final amount.

E. Alcoholic beverages shall not be served to individuals under the age of 21 and the Group will ensure that no underage individuals consume alcoholic beverages. Alcoholic beverages are prohibited by the Wisconsin Liquor Commission and Wis. Stat. 125.32 from being brought into a function or hospitality rooms from outside sources. Alcoholic beverages are only allowed in function or hospitality rooms.

F. No food and beverage items may be removed from the resort, except wedding cakes. Resort will not accept any responsibility for any food items not sold by its Catering Department.

G. Any costs related to removal of or excessive cleaning of the facilities utilized by the group will be charged a fee to the master bill.

The Group shall be responsible for the actions of its sub-contractors, musicians, theme decorators, and other agent, independent contractors and support staff, and upon request, these sub-contractors, independent contractors and agents shall provide proof of insurance. All entertainment must end by midnight. No exceptions.

I. Spring Brook reserves the right to require a security deposit at the time of the booking of the Event. The deposit shall be refunded to the Group within 14 business days of conclusion of the Event (or applied to the final invoice) provided there is no damage or excessive cleaning which may be paid from the deposit.

J. If a change from the original room set-up is required on the day of the function, which differs from the agreed upon and accepted BEO, a fee will be charged on a time and materials basis.

K. Catering policies are updated and reviewed on a periodic basis and may be changed without notice.

L. Spring Brook Resort requires a non-refundable deposit at the time of booking the function. All cancellations received

after definite bookings will result in the forfeit of any deposits paid.

M. Attendance Calculation for Events Held: Function space has been reserved for your Event based upon information furnished in the Booking Agreement. In the event attendance for any scheduled function falls below 80% of the number outlined in the agreement, a fee will be charged which is the difference between the final count and the 80%.

N. Spring Brook reserves the right to adjust or relocate your Event to appropriate space with appropriate notice.

O. Spring Brook and staff are not responsible for lost, stolen or damaged items.

P. The Group shall indemnify and hold Spring Brook Resort, its agents, owners, employees and assigns, harmless from and against any and all liabilities, penalties, demands, claims, causes of action, suits, losses, damages, costs and expenses (including costs of defense, settlement and reasonable attorney fees) which any or all may arise out of or in connection with the use of the resort premises by the Group or for any accidents or other occurrences, on or about the premises causing injury to any person or persons, or property and due directly or indirectly to the use of the resort premises by the Group, its employees, agents, guests, visitors or for any breach of agreement.
