WHAT THE NEWLYWEDS ARE SAYING...

They were a one stop shop for us. We used them for ordain, DJ, Photography, and Photo Booth . . . Five stars doesn't do them justice, wish I could give them 10 stars. Check them out you won't be disappointed, tons of energy.

TROY · 9.3.21

They were rockstars. DJ Pudge took my list of possible songs and created a perfect set list. If you want your wedding to be all the rave of family and friends I suggest you hire Fresh New Angle! From Music, MC, Photo and video you will not be disappointed!

NANCY · 8.14.21

The best!! I am so glad that I hired FNA for my wedding entertainment! I knew I wanted a DJ that was going to keep things moving without being intrusive and they were perfect!! I also used their "Showtime" photo booth – it was an open air photo booth and it was such a hit with my guests! Everyone at FNA really went above and beyond to make sure that my wedding day was perfect and I'm so glad that I chose them!

LINDSAY · 7.30.21

FNA is the Best in NJ. If you want absolutely amazing photos and an electric atmosphere, book FNA. Everyone was professional, on time, and ensured the day went perfectly smooth. Photographers did an incredible job and all photos have been stunning. Best DJ's in NJ. Your guests will be dancing the entire party. Extravagant lighting package turned the venue into a club.
