

VIP DJ ENTERTAINMENT

Congratulations on your engagement!

We understand that booking your entertainment is a very important part of planning your wedding day! Your Disc Jockey is also your event's emcee, and master of ceremonies. We control the flow of the day, and set the atmosphere. All of the Disc Jockeys at VIP DJ Entertainment are extremely committed to our customers. We all believe that entertaining your wedding is a very big responsibility. It's important to us that everything is exactly the way you would like it to be. All of our Disc Jockeys pay close attention and are very good at "reading the crowd" so we can play the perfect mix to get your guests moving! Your personal DJ will work with you, prior to your event to make sure he/she knows exactly what your vision is. Our easy to use online planning tools and online playlists make it simple to create a timeline, choose songs, and helps provide us with your wedding details. Our attention to detail ensures that your day will be an affair to remember!
