The Farmhouse

The Farmhouse surrounded in history dates back to the original Plantation of 1720. Both Simon Mathew and his brother-in-law Simon Butler were Welsh emigrants who settled in the town of Society, later known as Barndtville, Whitehallville, and finally Chalfont. New Britain township was named in their honor.

We continue to preserve the original 18th Century built fireplaces, hardwood flooring, exposed wood beams, broad wood trim, wainscoting and a full bar. The beautiful and intimate space in the Farmhouse is used for various events.

Nostalgia 1720 also offers a charming romantic outdoor garden with endless natural beauty. The vintage style gazebo, a kissing bench, a beautiful pond and a pergola swing makes this a perfect site. Nostalgia's romantic outdoor garden is a spectacular setting, ideal for your event or engagement photos. We are ADA accessible on our premises and offer abundant parking.

The Cameo Ballroom that is attached to the Farmhouse will accommodate up to 300 of your guests, with offerings such as: a grand staircase entrance, color-changing LED lights, new hardwood throughout, dance floor, chiavari gold chairs, crystal chandeliers, new gold antique draperies, ADA accessibility, with a chairlift in the Ballroom, USB charging ports and WiFi throughout the building.
