BEHIND THE LENS

Hey, I'm Dave and I've been capturing weddings as owner of McShea Photography since 2010 in the Philly area and even after all this time I still love to capture moments that tell the story of your wedding day with the ones you love with images to treasure forever.

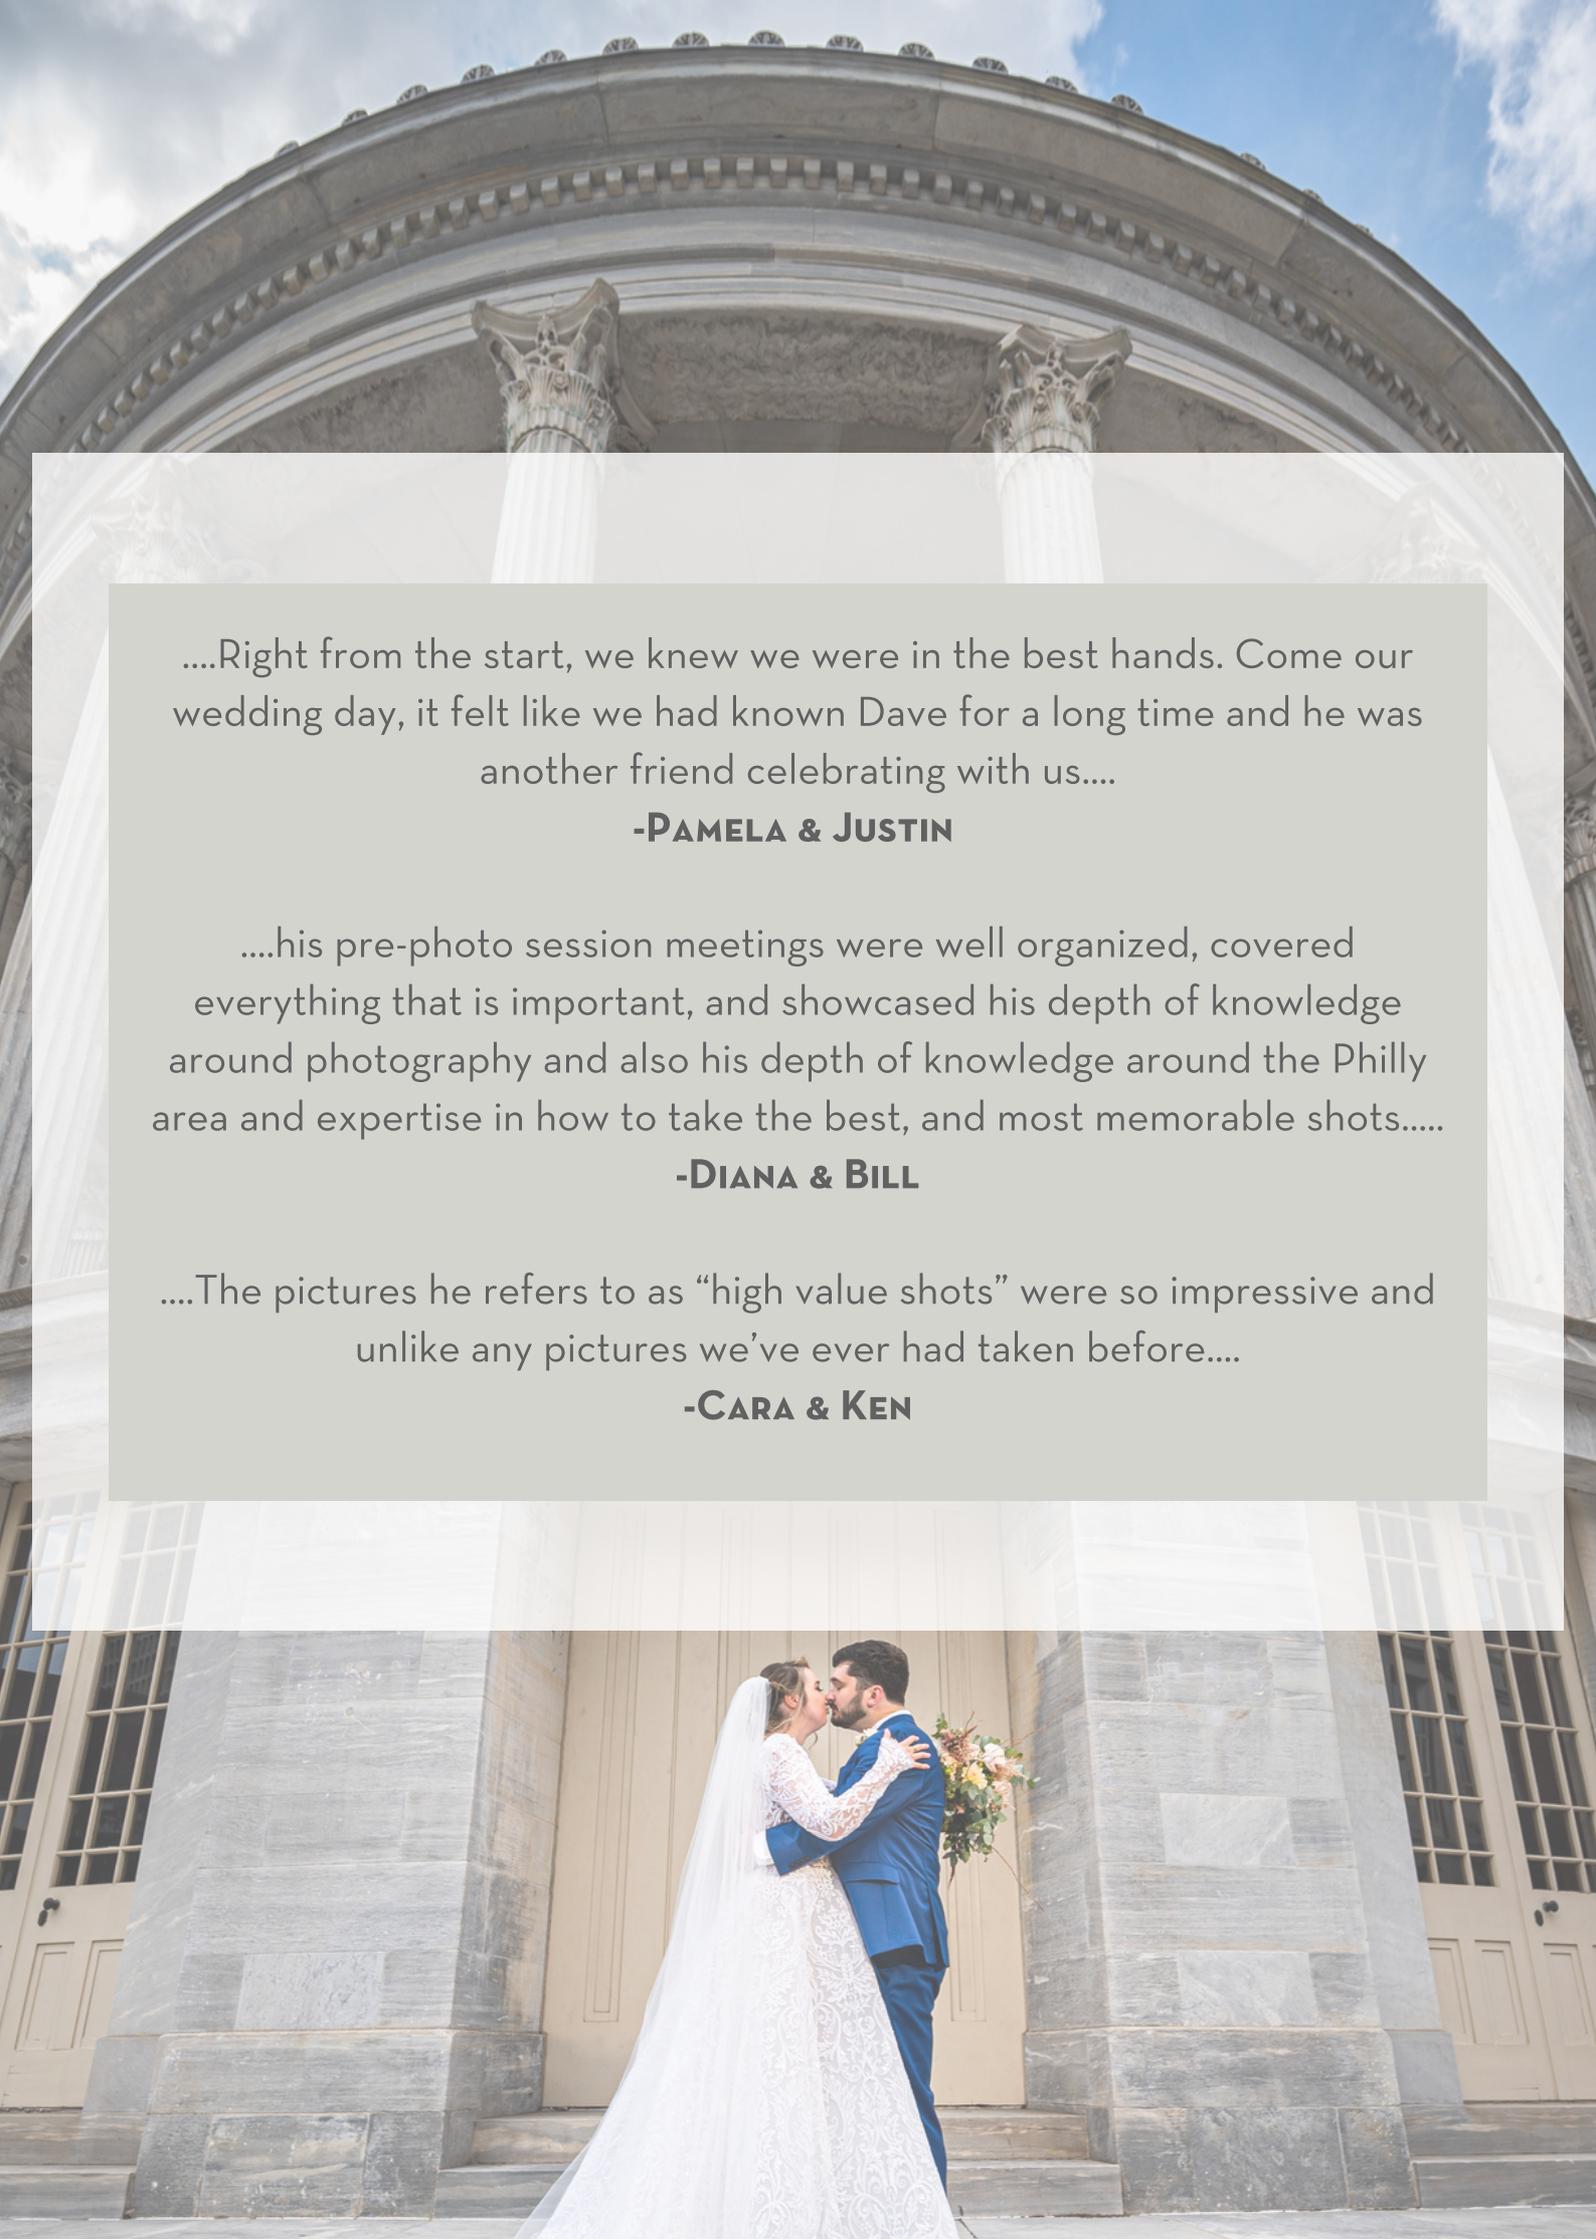

I am committed, at every wedding, to make sure that every couple I work with feels comfortable and at ease in front of the camera. I believe that a relaxed and happy couple is the key to creating beautiful and natural-looking images, and I work hard to make sure that my couples feel at ease from the moment we meet.

My goal is to create images that not only document the day but also capture the emotions and energy of the people and events, but I know how to balance the need for beautiful, timeless photographs with the desire to have fun and enjoy the moment.

Wedding photography is not just a job - it's a passion that I pour my heart and soul into. I love the thrill of the wedding day and the challenge of capturing each moment as it unfolds. I know that your wedding day is one of the most important days of your life, and I'll be committed to capturing all the joy, love, and laughter that comes with it. I work with you in the months leading up to your wedding to ensure that they understand your vision for the day, your timeline, and your priorities of each piece of the day.

Dave

...Right from the start, we knew we were in the best hands. Come our wedding day, it felt like we had known Dave for a long time and he was another friend celebrating with us....

-PAMELA & JUSTIN

...his pre-photo session meetings were well organized, covered everything that is important, and showcased his depth of knowledge around photography and also his depth of knowledge around the Philly area and expertise in how to take the best, and most memorable shots....

-DIANA & BILL

...The pictures he refers to as “high value shots” were so impressive and unlike any pictures we’ve ever had taken before....

A bride and groom are captured in a romantic moment, kissing on a rooftop at night. The bride is wearing a white lace wedding dress with a gold belt, and the groom is in a blue vest and white shirt. They are standing on a balcony with a metal railing. In the background, a city skyline is visible at night, with a prominent clock tower illuminated. The scene is lit with warm, ambient light, creating a soft and intimate atmosphere.

....Dave was a calming presence right from the start. Having him there helped to set the tone for a successful and stress-free day....

-LINA & JACK

....Dave was by far our favorite and we are disappointed we no longer have an excuse to work with him. He was a wonderful addition to an amazing day....

-CASEY & JIMMY

....when we got our pictures back I cried! They were absolutely magical and everything I could have ever wanted....
