

Pleasant Hill Vineyards is situated in the foothills of the great Smoky Mountains, only minutes from Historical Downtown Maryville. The working seyval blanc vineyard consists of over 750 vines across a full acre adjoining the ceremony area. The vineyard provides a romantic backdrop for weddings and engagement photos plus it produces white grapes that are used to make a dry white, semisweet rose, and a sweet white wine. The vineyard is part of the Old Henry Farm that was established in the late 1700's .

Pleasant Hill Vineyards includes a park like forest area with benches, tree swing and fire ring. The ceremony area is complimented by a beautiful manor style gazebo with gardens and forest for a backdrop. The ceremony area will seat up to 400 guests. There is a very elegant Brides Room, a Groom's Room and we use a combination of the restored century old barn, wine room and a large white tent on the lush lawn for reception activities.

The venue rental includes the use of the facilities for engagement photos, rehearsal prior to and total access from 9:00 AM until 11:00 PM (Saturday only) on the day of your beautiful wedding. Pricing for Monday - Thursday is \$1000 less and \$500 less for Friday and Sunday. We also provide on site personnel.

The recently completed wine room is perfect for showers, bachelor/ette parties, rehearsal dinners and receptions as well.
