# ALL WEDDING DJ PACKAGES INCLUDE:

- **Consultation and Client Care** - We will set up a phone call or meet up to discuss details and get to know you two! After you've booked we are there for you throughout the planning process to answer questions and help plan music.
- **Client Portal** - Elevated Couples receive their own login to our music and planning portal which allows them to list special songs for ceremony and reception, as well as must plays and "do not play" songs. This portal also has timelines, and even a link for guest to leave requests!
- **Professional Elevated DJ** - Our DJs are known to bounce from genre to genre -- decade to decade.
