Free Consultation

We would love to meet with you to hear your story and find out if we can be of service on your special day.

Day of Coordinator - \$800

This is the cruise control of events. You hand over the keys and enjoy the ride, as all of the details are handled by our staff while you savor the moments of the day. This will also include the last month of venue and vendor confirmations along with planning and rehearsal. All vendors must be secured before planning begins.

Wedding Package \$1,200

Your all in one planning connects the dots so you can breathe easy all the way through. We provide recommendations for your dream team, while you contact and set up appointments that are convenient for your schedule. We work through the theme, design and layout for the perfect day. We work to create your detailed wedding day timeline, outlining the who, what, where and when for your event. This service offers a monthly brainstorming meeting and unlimited emails and phone calls.

Premier Package - \$1,500

This is the ultimate for your wedding day. We provide everything in the other options, along with being the primary contact for all of your wedding vendors. We will find your dream team of local pros with personalized vendor recommendations, make the appointments so you don't have to handle a thing. This service includes consultation, day of coordination duties as well as unlimited meetings, emails and phone calls. This service is your personal assistant all the way through.
