

**\*Please note\* Anyone Can Dance is about efficiency. We understand that people do not have 10-20 weeks to dedicate to dance lessons and we are able to give you what you're looking for within one of these given packages. You learn a lot and will always have videos to practice with!**

**\*One option is to wait until close to your wedding and take a few lessons\***

**\*Another option is to take one lesson a month leading up to your big day to build your skills\***

**TRIAL LESSONS - NO COMMITMENT NECESSARY - see how you like it or get help picking a song!**

**30 minute session - \$60**

**45 minute session - \$80**

**In and Out - \$155**

**1 Lesson**

**You'll learn basic movements and steps that you will be able to use for your specific song and be given an intro.**

**Efficiency Package - \$435**

**Three 1 Hour Lessons**

**Completely Private Studio Setting**

**Custom choreography so you don't have to think of what to do on the spot!**

**Learn how to string together the moves you've learned seamlessly and make it look as casual or as fancy as you'd like.**

**Includes an introduction, an ending pose, spins, a dip, and a lift.**

**Ensures more confidence**

**Allows for better photographs and photo opportunities**

**Go home with videos from your lesson to practice with**

## **Wedding Dance Crash Course - \$450**

**Two 90 minute Lessons.**

**This lesson (or lessons) will be jam packed with basic movement, elevated movement, turns, dips, and lifts if wanted.**

**We will spend the first half working on building your confidence in the basic movements and start to put your dance together and figuring out the length of your dance as well as the cut of music.**

**The second half will be complete choreography from beginning to end.**

**This option is best for people with limited time\*\***

## **Wedding Dance E-course -**

**Great for people who want to work on their own schedule.**

**You'll receive a YouTube link with a broken down tutorial of your first dance with basic movements**

### **ADD ONS:**

**Make it personal - Get a second broken down video of the moves you learned strung together for your specific song.**

**ZOOM Q&A - If you have any specific questions about how to do something or if you're looking for an extra option, add on a 30 minute zoom session.**
