

Welcome!

Hey I'm Lexi, owner and lead coordinator of **Something Blue Events**. I've lived in Nebraska for the majority of my adult life, and am excited to continue making a life in this hidden gem of a state. I am a travel enthusiast, lover of sweets, and my ideal night is walking the dogs and winding down with some good TV. I have a Public Relations & Journalism degree from UNL and have 6+ years of experience in the corporate events industry and 3+ years of experience in the wedding industry. I am so excited to help bring your dream day to life and most importantly assist in the mundane tasks so that you both can enjoy this once in a lifetime experience!

Customer Testimonial

Lexi was a total dream to work with, I hired her when I realized wedding planning was a much bigger time commitment than I realized and needed help. Lexi is so responsive, will take any ideas you have and bring them to life and is an overall joy to work with. She made the wedding day run so smoothly and took care of anything I needed that day. She is a true gem and I am so lucky to have found her. She truly cared about us and felt more like a friend than just another vendor. Anyone would be lucky to have Lexi in your corner.
