

Bokeh Film Studios

WHEN YOU LOOK BACK ON YOUR WEDDING DAY,
WHAT DO YOU THINK YOU WILL REMEMBER?
WHAT EXPERIENCES WOULD YOU WANT TO
RELIVE? WHAT BETTER REMINDER THAN
STUNNING PHOTOS & FILMS?

OUR PROMISE

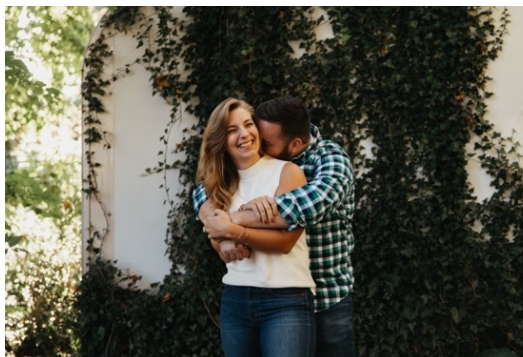

Our goal is not simply to capture your big day, but rather to capture your love, commitment, and unique bond that brought you to your wedding day in the first place. Our work provides a timeless reminder as you move through each phase of life together, that your love grows even stronger with each passing anniversary.

OUR STYLE

It is both bold and moody, warm and fun. We focus on moments that unfold naturally throughout your day, so that when you look back, you can remember exactly how you felt. Uniquely you, and not some cookie cutter version of that.

We want you to look back at every laugh and every tear and remember the actual feeling of the day, even 50 years from now.

This is why it is so important to us that we get to know you and your journey as a couple so that we can tell your epic story...start to finish.

WANT ADVENTURE?

We do too! Let us come with you to your elopement in the mountains, destination wedding on the beach, or your beautiful rustic wedding in the country. We are not just passionate about documenting your wedding, but to help you tell the adventurous story of your love for each other.

ABOUT US

So what's our story? Well...it's kind of a cool story that we'd love to tell you in our first meeting. But the gist of it is that we met in college where we both studied the arts. We shared a mutual love for storytelling and eventually fell in love ourselves. Even before getting married, we loved photography and traveling but started the business after a family friend asked that we shoot a wedding for their daughter. We have been helping couples tell their love stories ever since, all while continuing to write our own!
