

# LIVE EVENT PAINTING

Andy Greenlee offers a unique way to capture the life, color, joy, and spirit of important landmarks, such as weddings, mitzvahs, birthdays, graduation parties, retirements, and galas. By hiring Andy to paint your occasion, you and your guests will be able to watch as the magical evening is captured, and you will take home a legacy work of art to display and memorialize.

Andy arrives hours before your event begins, to get started. As your guests arrive they are immediately struck by the presence of an easel and an artist at work. They are even more transfixed to see that they might be captured in the painting. Andy loves chatting with your guests, dancing along with your band, and bringing both professionalism and playfulness as she entertains. At the end of the night, your guests will witness the unveiling of a completed painting, made before their eyes. Then you can take home and display your painting proudly in your home.
