

UNCLE TIM'S

COCKTAILS

Uncle Tim's Cocktails was founded on the premise of preserving life's most bottle-able moments by simplifying the craft cocktail process. Our ready to drink cocktails are simple, just pour over ice and serve. It's that easy! Uncle Tim and his crew are available for event bookings, featuring our one-of-a-kind horse trailer turned mobile-bar.

Standard

All of the Uncle Tim's Cocktails use premium spirits. We believe in quality and only serve quality. For up to 4 hours, we will provide all cocktails, spirits, mixers, and non-alcoholic beverages. We will also provide our one-of-a-kind horse trailer. We are happy to pour beer and wine (that you provide) at no additional cost. In addition to bar service, we will also provide a champagne toast, non-alcoholic beverage options, and 6 cocktails:
4 signature Uncle Tim's and 2 custom cocktails.
