

Wild Wisteria

Wedding Pricing 2022

Congratulations on your engagement! Wild Wisteria will make a beautiful venue for your special day!

Our pricing includes the following rooms:

- Rose Suite (2nd floor / full bath)
- Island Palm Room (2nd floor / full bath)
- Lavender Room (2nd floor / full bath)
- Boxwood Room (2nd floor / full bath)
- Seaglass Room (2nd floor / full bath)
- Cherry Blossom Room (2nd floor / full bath)

Additionally, we provide:

- Full facility access for B&B guests, including garden and property access (barring the owner's quarters), all the above rooms for two nights, from 3pm the first day until 11 am the third day (additional rooms / nights can be added at normal rates and based on availability)
- Full property access for wedding guests. Additionally:
 - First floor half bath available during ceremony/reception
 - Use of Cherry Blossom bathroom as a second bathroom (during ceremony/reception)
 - Full flexibility in vendors (yours or our references)

Note that this is a “venue only” property and you will need to provide day-of coordination, etc. Be sure to check out our website for preferred vendors (<https://www.wildwisteriabnb.com/weddings-events>). Lean on the caterers to support provision of not just food, but tent, tables, chairs, bar, food, etc. Those listed know our property well and we work very well together. Please let them know we sent you.

The flat rate for the venue is \$6000 and is all inclusive for two full days and supports an audience of up to 150 people (holiday rate is \$7200). If, however, you want a small intimate wedding with only the people staying at the inn, our pricing adjusts extensively. Also, we do provide last minute discounts and specials for our veterans. Please reach out for specific pricing in these scenarios.

As you make plans for your special day, schedule a tour of our property by reaching out to Brad and Cindy at 610-388-1435.
