## TESTIMONIALS

---

"We have used North Jersey Flower Walls 4 times now for different events at our church, including our 15th Birthday Celebration, Mother's Day, a marriage conference, Easter, and each time it's been phenomenal! Lily and her team run an amazing business and they do so with a smile on their face. They are great, genuine people! So kind, great communication, and very professional. We also love that our design team can create our own templates using our logos and custom designs. I HIGHLY recommend North Jersey Flower Walls for any event!"

## Allison Wong

Beautiful flower wall, they were the highlight of my Bridal Shower. Lily is a darling to work with. Thank you for going above and beyond

## Thomas DeLuca

North Jersey Flower Walls made my grand opening event one to remember. Clients rave about it till this day. We have gotten so many leads from SM sharing the booth pictures. Well worth the ROI

## Elena Weiber

Seamless booking and great communication. The Photo book was the best keepsake we got from our wedding day. Such a fun activity for the guests as well as a great party favor to remember the night. Many have told me they have placed the pic on their refrigerator because they liked it so well

## Angie Medina

Best idea. I booked NJFL on 10/30 for my daughter's engagement party and will be doing her bridal shower with them too. They are reliable,. Accommodated all of our needs and the walls are lovely. My daughter was so pleased, she will be hiring them for the wedding too.
