WEDDING INVESTMENT GUIDE

Sara here!

I'm a wedding and lifestyle photographer serving Central Arkansas + Beyond! I strive to tell your story through classic, bright imagery that feels like a memory. I got into the industry because of my own wedding – I just absolutely love them and photographing couples who are wildly in love! There's so much magic in the entire journey and I'm here to be your right hand girl every step of the way.

I can not sing Sara's praises enough. Out of all the decisions that come with wedding planning, hiring her was the best one I made. One of my favorite things about working with her was how she really personalized our experience. Not only is she extremely talented at her craft but she is a thrill to work with.

my approach on
your special day <3

Elegant Timeless & True to You.

I consider myself to be a story teller - along for the ride with you during this magical time in your lives. From the moment you choose me to photograph your day, I'm with you every step of the way. I approach weddings of course with the timeless poses in mind but also to step back and catch those moments in-between. Stolen kisses with your partner, laughing with your wedding party, hugs and happy tears with your most loved ones. Weddings are magic - not just because of the fancy decorations and details but because of the entire reason we have them, which is love. I want your wedding gallery to be the reflection of your love story. My hope is that when you look back on the images from your wedding day, you feel that warm + fuzzy feeling all over again.

WHAT IS THE BOOKING PROCESS?

I aim to make booking as easy breezy as possible. You will be fully booked once your retainer is paid and the contract is signed! That is what holds your date.

DO YOU TRAVEL?

ABSOLUTELY! I am based in Little Rock, Arkansas but I love to travel and see new places! I am more than down to be your adventure buddy!

WHAT IS YOUR PHOTOGRAPHY STYLE?

I like to describe my style as elegant, timeless and true to you. I aim for true to life colors with beautiful tones. I like to shoot in more of a documentary style so that I can capture all the in-between moments. I definitely still get ALL of timeless and posed shots as well :) - a good mix of both!

HOW LONG DOES IT TAKE TO GET OUR PHOTOS BACK?

It depends on the collection that you choose + the length of time that I will be with you. For weddings, typically 6-8 weeks - this can vary due to season as well.

HOW DO I RECEIVE MY PHOTOS?

I deliver all of my images through an online gallery called pixieset. You are able to view or share the gallery and download the high resolution images to your phone or to your desktop!

WHAT IF I NEED TO CANCEL?

If for any reason, you need to cancel your wedding or change the date, the retainer cannot be applied to your new date. A new retainer will need to be paid for the new date. If you are cancelling all together, the retainer is non-refundable.

HOW DOES PAYMENT WORK? IS THERE TAX?

I will send out an invoice via email detailing what collection you have chosen and any ala carte items as well. The invoice will be payable by credit or debit card. The retainer is due at the point of booking your session and the full payment is due 1 week before your wedding. Tax is applied to the invoice at a 9.5% sales tax rate, in accordance with the sales tax laws in Arkansas

Can't wait

to work with you!
