

Where your story begins...

Congratulations on your engagement and welcome to one of the most exciting times of your life. We would like to thank you for visiting the beautiful Veterans Terrace in historic downtown Burlington, or if you have received this brochure online, then we invite you to come check us out! From a ceremony that overlooks our peaceful White River and Echo Lake, to a reception in our stunning Liberty Hall, we have the perfect setting for your special day.

If you haven't heard, Veterans Terrace is a unique venue in that our proceeds go to the non-profit Burlington Community Fund. Those funds then go back out into the surrounding area to support businesses, schools, non-profits and families through generous grants and scholarships. We are all so incredibly proud of the work that is being done through our non-profit. At

Veteran's Terrace, we love making a difference in our little corner of the world and look forward to helping you create the wedding of your dreams.
