ABOUT BELLA TERRE VINEYARD & RECEPTION HALL

We are prolific creators delivering unparalleled experiences. Our exquisite reception hall is immersed in the rolling loess hills. the name Bella Terre, is Italian for “beautiful lands” where one beautiful land meets the other: Italy and Iowa. Both are unique in their own way, but they come together to enhance the natural beauty of the Iowa countryside.

We focus on three things: wine, hospitality, and luxury accommodations. This allows us to maintain our extremely high standards of wine quality and value, while always perfecting our guest experiences year after year. Our desire is to create an unforgettable memory for you and your guests in an extraordinary and unique facility.

Bella Terre was designed to provide an amazing atmosphere for wedding ceremonies, receptions, special dinners, corporate meetings and other events and celebrations. Our facility can comfortably accommodate up to 400 guests and is located just 15 minutes from Omaha.
