For locations further than 2 hours of driving one way, we kindly request that hotel accommodations are made and covered by the client.

Early morning fee: \$75 per stylist for start times between 5 am - 7 am, and \$125 per stylist for start times between 3 am - 5 am.

Under 5 service fee: \$100 (\$175 for weddings with less than 2 services).

Please note that a 20% gratuity of the total services will be included.

Trials

It is worth noting that trials are **not included** in the contract or contract fees. A trial typically lasts around 2 1/2 hours (for both hair and makeup), and pricing starts at \$286.
