## *Testimonials*

"We hired DJ Avera to DJ our wedding in NYC. I can never forget how much fun everyone seemed to be having while singing and dancing. There was nary a time when the dance floor was empty. She played the right songs at the right moments and brought her positive, contagious energy to our event. We had such a great time and would definitely recommend her to DJ any future events." - Nidza & Enoc

*The Bell House, Brooklyn, NY*

"Avera was an absolute legend as the DJ of our wedding. Working with her before the event, I felt very comfortable that she understood the tone and music we were going for, and she definitely delivered. People were on the dance floor immediately and there was never a lull during the night of people not dancing. I also had several guests come up to me (from those in their 60s to 16yr olds) to say how much they loved the remixes Avera played during the night." - Marissa & Michael

"My wife and I worked with DJ Avera, and she was incredible. She took great care to make sure she understood our vision, vibe, and overall taste in music. I couldn't have asked for a better DJ experience." - Angie & Alix

"Avera really helped make our wedding an exciting and memorable experience for us and our guests. She also super helpful in the planning leading up to the event, learning about our preferences and tastes to make it exactly the event we wanted. She made the process easy, which is great because there's a lot of other stuff you can be worrying about while planning." - Andrew & Amy

*Housing Works, New York, NY*

"We booked Avera for our wedding last month and she was incredible. We didn't give a lot of direction on music preferences but somehow Avera knew all the right songs to play. We had so much fun and could not have asked for a better dance party. I can't wait for the next time we need a DJ so that we can ask Avera to play all the jams one more time. 10/10 would recommend, BOOK HER NOW!" - Kolton and Kim

*Brooklyn Winery, Brooklyn, NY*

"Avera was the best to work with, she totally got a sense of our tastes and pulled that into the night. We got so much great feedback from our guests (including my parents) on how good the music was. She kept the dance floor packed for a full 4 hours!" - Brian & Lori
