

**Congratulations on your upcoming wedding.** At OC Flowers & Events we are dedicated to the success of your event; our professional florist team would be delighted to work with your budget and craft a unique floral experience to make your event memorable.

Please review our base pricing for popular options. In order to prepare your customized event quote, please include in your reply a list of the desired items/quantities and if available, a mood-board of images of your favorite colors and styles. We also offer a free consultation at our studio with our floral designer.

We look forward to collaborating with you on your event.
