- Our first meeting is no cost, and no obligation! Your date will be held for one week after this call, so you have plenty of time to decide. Meetings held via zoom or phone if in person not feasible.
- A 50% deposit will hold your wedding date. Remainder due at rehearsal or day before the ceremony.
- Ceremony planning will occur via zoom or phone. We will discuss particulars for your ceremony, including who will participate, specific rituals to be included so that your ceremony is meaningful and transformative. Typically we will meet a minimum of three times to finalize the ceremony, and work through all the logistical planning.
- A draft of your ceremony will be provided after the first meeting, and as many revisions as needed are included.
- If you are having a rehearsal, I will attend. If rehearsal is on a different day, additional fee will be incurred.
- The day of the wedding, I will arrive a minimum 1 hour prior to the ceremony or rehearsal to touch base with you, meet the other wedding professionals, receive the license, and make sure everything is set for the ceremony.
- After the ceremony and signing of the license I will take care of mailing as required. I will provide you a copy of the signed license by email.
- Ceremony costs range depending on location, length of ceremony, rehearsal, and number of guests, as well as number of meetings and reviews of ceremony (see below)

Sample FEES for Custom Ceremony, final fee quoted after initial conversation

- Fees for **custom ceremonies** range from **\$575-725** and depend upon date, time, location, length of your ceremony, and need for a rehearsal.
- Includes minimum of three consultations by phone/in person/ zoom
- Service will be written and provided before ceremony, with as many sets of edits/revisions as needed
- Travel outside a 60-mile range of Hamden will incur an additional travel fee.

Looking for **something simple, perhaps for an elopement, micro wedding or vow renewal**? I will officiate a wedding using a standard wedding template for **\$350** within a 60 mile range of Hamden; additional travel fee incurred outside that area. Minimal customization included, other than names.

Additional ceremony preparation (beyond what is included) or premarital counseling sessions are \$99/hour (if I officiate your wedding) and \$150/hour (if someone else officiates).

Have your own officiant, but just need the ceremony written? Let's discuss! Fee would run approximately \$395; if you would like me to work with the officiant in a coaching capacity, fee would be \$575 – 725, depending on number of meetings needed.

Couple must provide any audio equipment/music and other ceremony supplies as needed.
