Some Frequently Asked Questions

CAN WE HAVE THE RAW IMAGES?

We do not offer raw images. As we are ultimately judged by the product that we produce, we insist on having quality control over the finished product

HOW MANY PHOTOS GO I GET?

Typically, you will receive 50-70 photos per hour of event photography.

CAN I GIVE YOU A “MUST TAKE” LIST OF SHOTS THAT I WANT TO INCLUDE?

We encourage you to give us an overview of the important moments you are looking to capture. Keeping that in mind, we recommend that you allow us to capture the emotion and feeling in your event as it's happening and trust that each important moment will make it's way into the final photo gallery.
