

Thank you for your interest in Mariani's,

Our facility offers both inside and outside venues. Our outdoor venue is perfect for that romantic late evening wedding, while our indoor venue can accommodate your wedding party in comfort at any time of the day.

You can have your ceremony, dinner, reception, and after-party all in the same place for the price that a catering company would charge you just for catering to your event.

for up to 100 guests, it will cost you \$7250.00 plus tax and gratuity which covers your venue charge, and the FOOD for all your Guests. The FOOD is cooked to order, and your guests will be able to choose their dish from the menu of three entrées provided to them by our servers.

You will have the venue all day and no other charges will be added to that.
