Hello!

Thank you for inquiring with Cardinal Photography! As a couple planning a wedding there are so many things that are probably going through your mind; décor, budget, to do lists that go on and on AND ON! We have designed our wedding pricing guide to be as simplistic as possible, with biggest bridal question in mind "What do I need to get my dream photography experience?"

We have created three packages, elopements and full wedding day. All of which have the same wedding, day-of experience. No matter what, you will get everything for need for your big day! The rest is just the extra fluff and icing on the cake!
