

# YOU WILL LOVE AND CHERISH...

every moment of your wedding at Sandestin Golf and Beach Resort

Our goal at Sandestin is to create a stress-free and momentous weekend for you, your family and guests. Your Wedding Manager can assist you in arranging everything from the rehearsal dinner, wedding ceremony and reception, to the farewell brunch. We can host an intimate wedding of 50 guests to a grand event of 500 guests or more.

From the sugary, white sand beaches along the Gulf of Mexico, to the sparkling waters of the Choctawhatchee Bay, Sandestin offers the largest selection of venues in Northwest Florida, including indoor and outdoor locations.

## LET'S START HERE...

Once you have corresponded with our Wedding Manager and availability has been confirmed, we encourage a tour of the venues to pick your perfect location. After your approval, our team will create a wedding agreement, securing your date and location(s).

- A list of exclusive vendors such as wedding planners, florists, photographers, musicians and more.
- Design of ceremony and reception floor plan to include dining tables, dance floor, bars and any other table(s) that you may need. *(Tables and standard white linens are provided complimentary to Sandestin Brides, based on inventory availability.)*
