

### Pricing

Pricing for private dance lessons is the same for all dance interests: social dance, ballroom competition, and wedding dance. That is, we don't apply additional charges for engaged couples. Prices are per couple and includes studio floor fees.

Dance lessons are pay as you go. There is no requirement to commit to a package or a minimum number of lessons. We do offer a discounted rate after your fourth appointment. So if you do decide to take more than four lessons, all of the next lessons are at the reduced rate.

Some couples with time constraints prefer to secure and schedule multiple dance appointments in advance. You do have that option and pre-paid dance lessons are fully refundable given 48 hours advance notice.
