**No Nonsense Pricing: All packages incl. sound system/tech, stage lighting, MC, liability ins. & comp., "DJ capability", our trademark "family" organizational vibe.**

**Exact pricing has become geography and date/day of week dependent. This makes it near impossible to provide a "one size fits all" list. Discussion is imperative.**

**June, September and October are super peak. Jan-March budget friendly.**

*Choosing the entertainment is the most important decision you'll make for the success of your event! That is why, for more than three decades, wedding couples, corporate party coordinators and country clubs have made **East Coast Music & Entertainment** their first choice!*

**Ceremony/cocktail hour options:** We can provide (from within the core 8-9 piece band): keyboard, guitar, flute, clarinet, sax, trumpet, flugelhorn, bass, vocal is just about any combination. Flute and keyboards for ceremony is most common, especially if the music program is drawn from the classical or religious repertoire. Musicians perform "prelude" music as guests are seated and then client selected processional and a recessional. We often do a jazz trio for cocktails but various forms of "unplugged" music (with or without vocal) have become popular and we are almost infinitely flexible.

**Specialty options:**

Strings

Harp

Jazz trio/quartet

"Unplugged" acoustic solo/duo/trio with vocal sound system

Dixieland group: tuba (trombone), clarinet, trumpet, piano

"Nawlin's" Second Line Brass Band

Three piece steel drum calypso/reggae band with vocal

Country Band

Your imagination is the only requirement. Quite often clients delay hard decisions regarding such things until closer to the wedding when musical song choices become clear. We are perfectly comfortable revisiting those arrangements later once a date is locked in.

**Band/Full Service DJ combo:** add \$800-\$1200

**Afterparty options:** DJ (same or separate room), Happy Hour/Tiki Bar/sing a long, Dueling Pianos show, unplugged single, duo, trio, jazz group, reggae group, self-administered playlist sound system available

**Lighting upgrade w/moving heads     Wireless up lighting:**

**Photobooth: \$1000 - \$1500 four hours** unlimited prints, all digital copies

**Parking:** If free street parking is not available, we may ask for reimbursement for a reasonable number of vehicles. We always try to carpool or use mass transit when possible.
