CEREMONY WRITING & OFFICIATION

Jamie is an experienced ordained minister who delights in building personalized ceremonies with and for couples in love. Her specialty is writing custom ceremonies for interfaith couples, secular Jews, atheists & LGBTQ+ couples. Traditional or eccentric, religious or secular, long or short, the one thing they have in common is they're exclusively yours!

DAY-OF COORDINATOR & HOURLY CONSULTATIONS

The big day has a lot of moving parts. Let us manage them all for you! Vendors will need to be wrangled, schedules to be kept, family members & flowers to be delivered, and you'll want to run a rehearsal in there somewhere. BE can take this off your shoulders for the day, or for the whole month beforehand!
