The Wright Place

About Us

The Wright Place - Events is a locally owned and operated business. When envisioning the event venue, we wanted to have a unique space that was big and open for a variety of uses.

The Wright Place - Events took the time to create a unique venue that is open to possibilities, from weddings to corporate trainings. A space that transitions itself from a small intimate gathering to a large celebration and reserved enough for your business meetings. It simply is The Wright Place!

The Wright Place - Events is a standalone facility, giving you the freedom to make catering choices strictly based on your likes, needs, and specific budget. Contact us to find out more about how a standalone center is a cost-effective alternative to exclusive facilities.

The Wright Place - Events is located just minutes from Des Moines, the Des Moines Metro, and The Des Moines International Airport. Easily accessible from I-35, I-80, Hwy 5 Bypass and Hwy 28.

Several local hotels provide shuttle service to and from The Wright Place - Events with block of room reservations.
