Services

Wedding Photography

Wedding day Photography includes Britleigh as a main photographer and one assistant (this assistant does not take photos). You get up to eight hours of coverage or one full day from getting ready to dancing. This also includes high resolution edited images from your wedding day delivered on a USB.

Engagement Session

The engagement shoot is such an important aspect of your wedding. This is an opportunity to showcase your love to family and friends. You get a two hour engagement session at a location of your choice. This also includes all of the high resolution edited images.

Second Photographer

For more wedding coverage and more images, you can have a second professional photographer. While the main is in one location the other Photographer will be in another.

Photo Albums

12x12

6x6

This is a hard cover album with durable pages. The albums showcase your story. These are great for the coffee table.

*After you purchase one album at full price, you can receive the other at 20% off.
