

PACKAGES

All packages includes a lead photographer and an assistant photographer along with the time and talent it takes to shoot, coordinate, and artistically create everything that goes into your wedding photography experience. Videography can be added to any photography package and includes an edited teaser video and full footage video of the ceremony and reception main events.. Images are uploaded to a private gallery within 2-4 weeks, where you can download the high-resolution images to your personal devices and have the freedom to use the printing service of choice.

Travel is \$1/mile traveled, and lodging for events beyond 100 miles.
